PROFILE

Highly motivated coding bootcamp graduate with a strong passion for software development and a knack for learning quickly. Proficient in modern programming languages and frameworks, adept at solving complex technical challenges. Seeking an opportunity to contribute to a dynamic team and make a meaningful impact in software development.

EMPLOYMENT HISTORY

Inventory Control Analyst at CVR, Charlotte
March 2017 — Present

Inventory Control Analyst responsible for accurate inventory tracking and optimization. Utilizes data analysis and forecasting, collaborating with cross-functional teams to maintain efficient supply chain operations. Transferable skills for a Junior Web Developer role include attention to detail, data analysis expertise, collaborative mindset, and process optimization abilities. These skills contribute to precise and error-free code development, streamlined workflows, and improved project outcomes.

EDUCATION

UNC Charlotte Coding Bootcamp, Charlotte
January 2023 — July 2023

High School Diploma, South Mecklenburg High School, Charlotte
August 2004 — June 2007
